Peek-A-Boo! I Love You! (0 to 18 months)

More than just a curious story, Mother Goose games like peek-a-boo help babies understand language. In this special camp, uncover more ways to say "I love you" using American Sign Language, soap bubbles, and parent-baby dances. Plus, parents can meet with other newborns and families in the community and learn how music improves the child development process.

Home Materials: *Peek-A-Boo! I Love You!* board book, home CD, duck wash mitt, baby duck Gertie ball, and poster.

Beach Days (mixed ages) or (1.5 to 3 years)

In the Beach Days unit of Wiggle & Grow, the children dance a seashell dance, pretend to wiggle toes in the sand, move like whales, count with an Octopus, splash and sail, and so much more! These engaging activities emphasize the learning focus: "I can experience and learn to understand the musical terms legato (smooth and connected) and staccato (detached and jerky)". Grab your sunglasses—it's time for Beach Days!
